ILA - Student Assessment

The Board recognizes that Maine law requires each school administrative unit to use multiple assessment methods to measure student achievement **and/or proficiency** in the content areas of the Learning Results and the cross-curricular *Guiding Principles*. The Board also recognizes the value of assessment in informing and improving instruction.

Through this policy, the Board adopts and directs the Superintendent/ designee to implement and oversee an assessment system for the **MSAD #35** schools that will accomplish these objectives. The Superintendent shall be responsible for reviewing the assessment system for compliance with applicable statutes and Department of Education standards.
