JJID - Physical Examinations of Students Who Participate in Interscholastic Athletics

All students who participate in interscholastic athletics, including tryouts, in Grades 6-12 will have a physical examination every 365 days. MSAD #35 schedules physical exams by a licensed physician at a reduced rate to Marshwood students. Students who have the physical examination performed by their family physician must produce evidence of such examination signed by the doctor before participation in any activity is allowed.
