## CONTRACT INFORMATION

**Insurance:** Administration has the sole right to determine the amount of the insurance coverage required for each event, but **coverage should be no less than \$1,000,000**. Lessees will provide a copy of their certificate of insurance coverage covering the period under contract, naming MSAD #35 as an additional insured. Generally, a certificate of insurance will be required if a fee is charged for public entertainment provided by a producer not affiliated with a local school district or municipal government.

**Damages:** The lessee will be **100% responsible for any damages to the facility and/or equipment**. Any additional cleaning necessary (over and above traditional cleaning costs) will be charged directly to the lessee.

**Security:** Administration has the sole right to determine if security is needed for an event, and the level of security needed for an event. **Security expenses are the responsibility of the lessee.**

**Facilities:** MSAD 35 will do its best to provide clean comfortable facilities for rental. However, should a mechanical, HVAC, plumbing, electrical, networking, Wi-Fi, or other system failure occur during a rental period, the lessee agrees to hold MSAD 35 harmless and the lessee will not be entitled to any compensation. This contract remains in full force regardless of any system failures out of the control of event staff.

**Cancellation of an Event:** MSAD 35 has the sole authority to determine whether the building should be closed for reasons of public safety (including due to inclement weather) and will be held harmless in this situation. Notification to the lessee will be made as soon as possible. Contracts in force for periods during, which the school is closed for reasons of public safety are canceled automatically without penalty to either party. Every effort will be made to reschedule any canceled event to a mutually acceptable date.

**Access to Buildings:** Depending on the nature of the rental, you may (or may not) be granted key card access to the MSAD 35 facility. Key cards cost \$10 per key card. Access will only be available for the dates and times requested. **If you arrive early for your event to setup during a normal school day, you will need to access the building as a visitor and sign in at the main office as your key card will not work.**
